Subject: Wildfire ozone EE's
Attachments: WF-O3_EE_Sept2017_summary_AO.pdf

Richard,

We have been working on the wildfire smoke-influenced ozone exceptional events for 9/2/17 and 9/4/17. Amber has developed a summary PDF of the 2 events, attached.

Summary: Washoe and MA/CT, as well as others, have WF-O3 EE demos approved/concurred using "Tier 2+", with Q/d
